OUR GYMNASIUM

Forword

With a key in our hands, we unlock the door to many golden memories of our dear Angola High School. We have published this, our annual, as a record of the year's events. We have tried to uphold the high standards of our school and we have included many incidents both great and small with which our readers in the future may refresh their memories of the 1962-63 school year.

School Parking Lot

The school parking lot has proved a great convenience for both students and teachers. It was built in the summer of 1961 on the site of the old gymnasium. It has been filled with cars during school sessions ever since.

Pleasant Lake

Some Seniors of 1963 have many happy memories of time spent in this school. They first started their educational climb within these walls.

Carlin Park School

Carlin Park School is the newest of our school buildings. Its modern equipment make going to school a pleasure for the elementary grades.

Hendry Park School

The Hendry Park School is one of the newest grade schools in this area. Its all-purpose room with the cafeteria has been the center of many social activities.

Public Library

The Public Library across the street is a part of the familiar surroundings of A.H.S. It was often necessary to find supplementary reference material so our path then led to its doors.

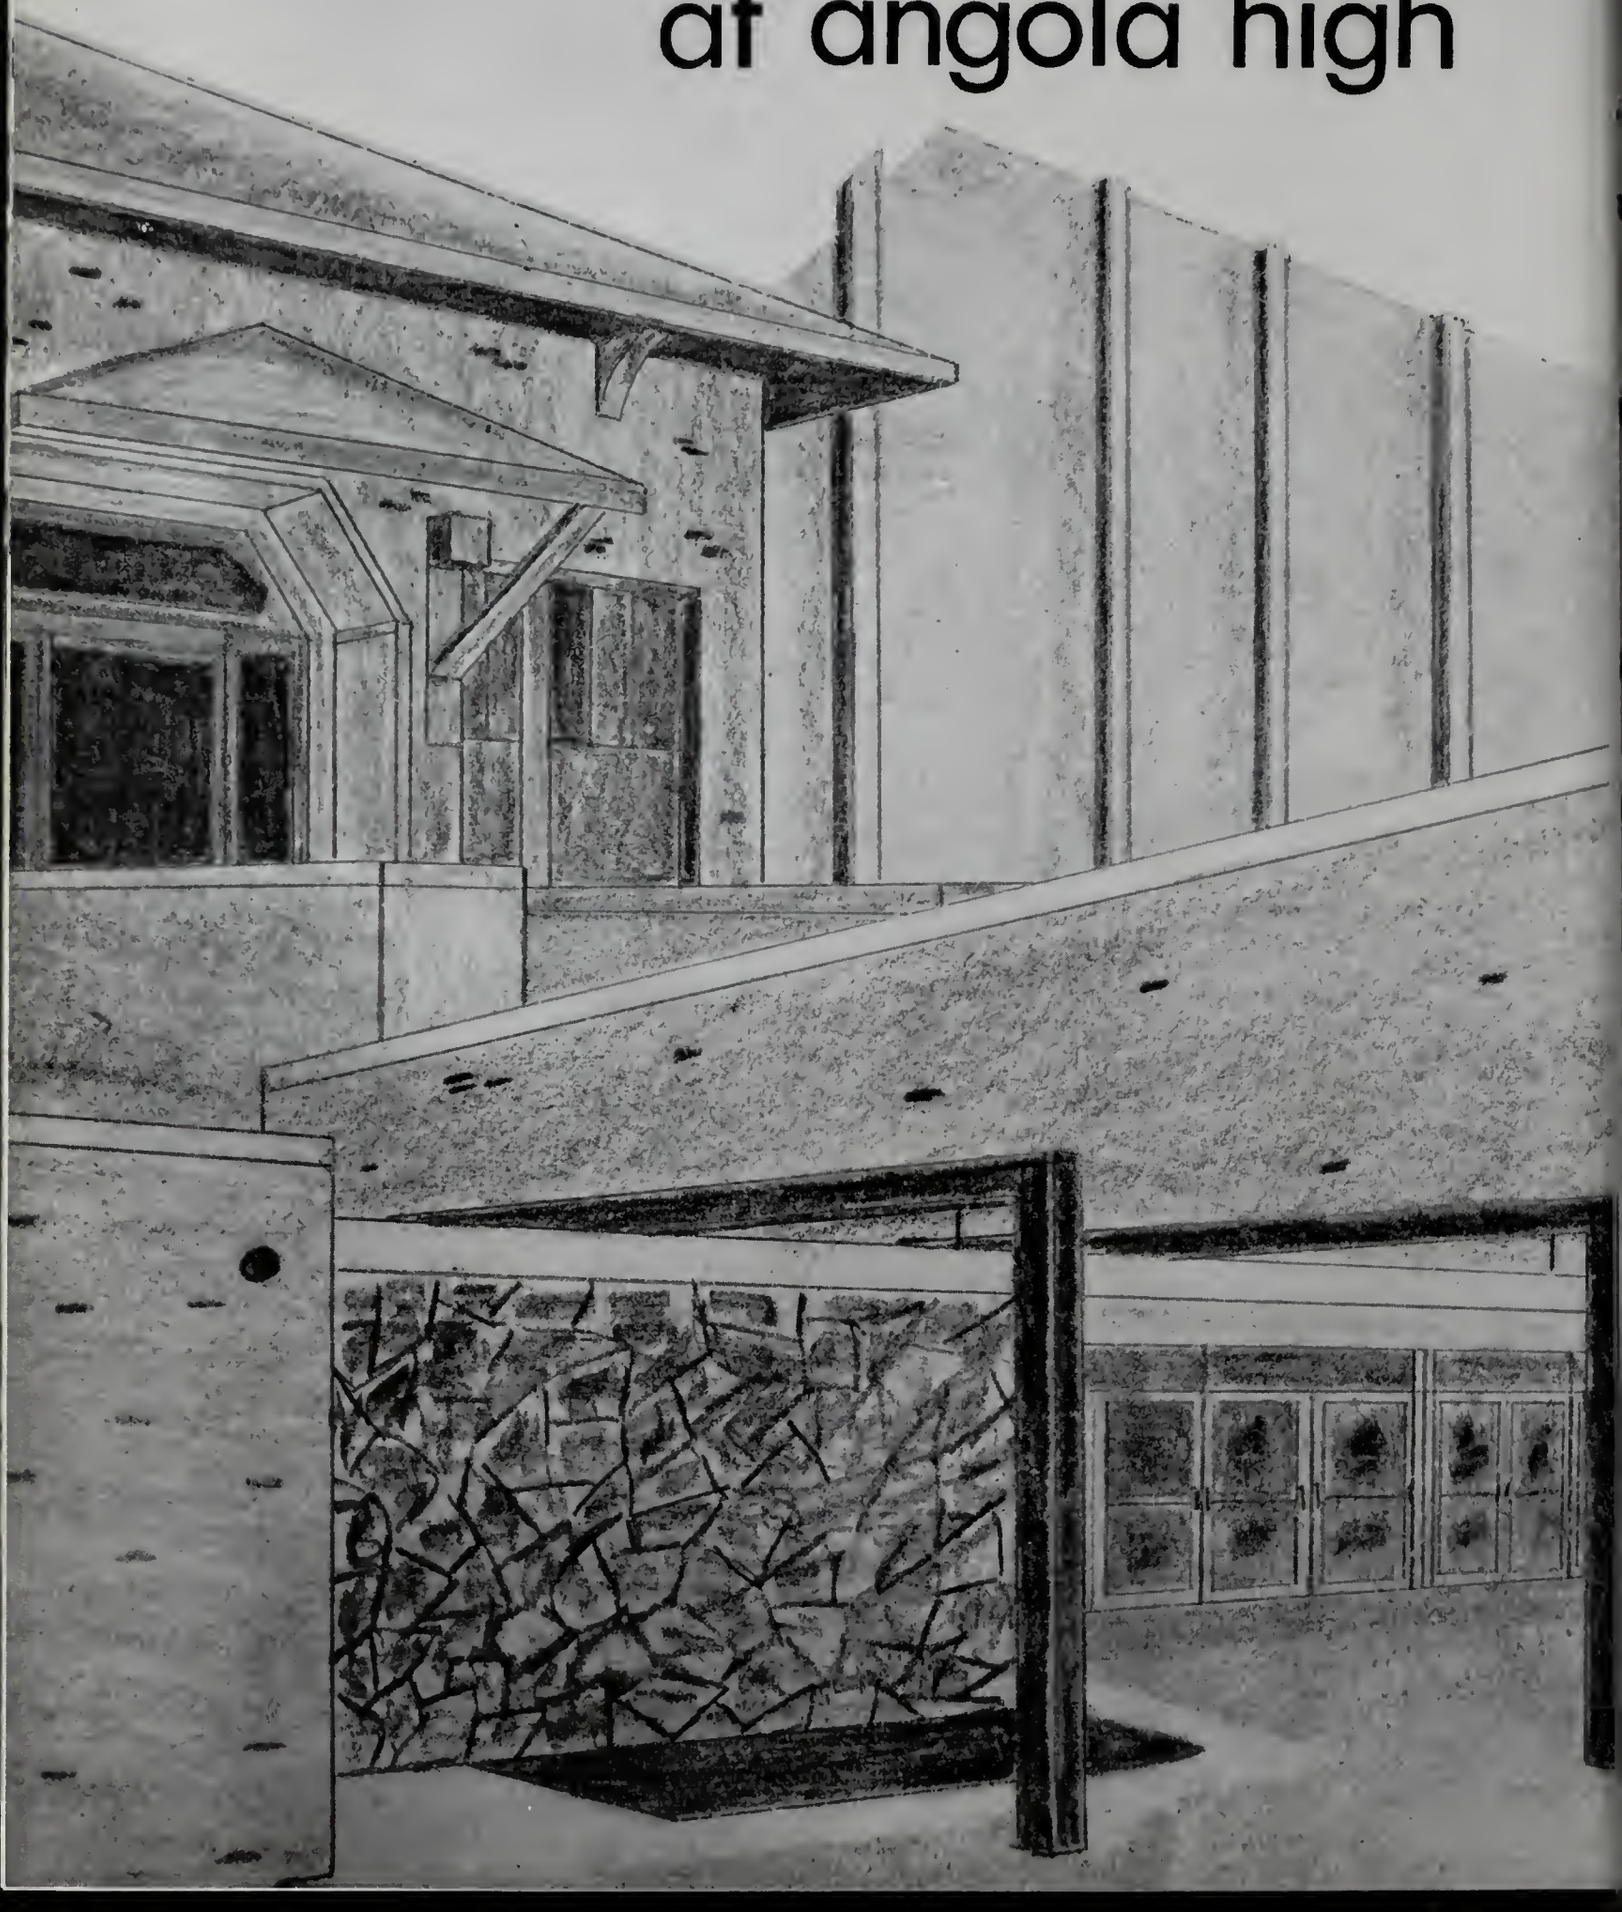

Appreciation

We, the class of 1963, wish to express our sincere appreciation for the efforts of Mr. Morin, our class sponsor, and of Steve Southern, our class president, who have guided us through our four years of high school.

They have always been willing to lend a hand and give an encouraging word.

We should like to express our thanks for their understanding and guidance.

FACULTY

OUR SUPERINTENDENT

It has been through Mr. Boomershine's efforts that we have been able to attend one of the finest schools in Indiana. Even with a busy schedule he was never too busy to talk over a problem we might have. We, the class of '63, sincerely thank you, Mr. Boomershine, for your kindness and for a job well done.

BOARD OF EDUCATION

Much credit for the success of the school year should be given to the members of the Board of Education. They work throughout the year solving many problems concerning our school.

We, the graduating class of 1963, wish to extend to them our sincere thanks for the work they have done to make our school life better and more pleasant.

OUR PRINCIPAL

"Mr. Mac" has worked very hard to help and to make our four years of high school the best possible. The door to his office was always open whether a personal problem or a class project needed to be discussed. Thank you, Mr. McCutchan for all your help in our four years of high school.

OFFICE SECRETARIES

We, the class of '63, wish to express our thanks to the secretaries—Bonnie Wilcox, Kitty Rozell, and Edith Cox. They were always ready to help the teachers and the students in any way possible and with never ending energy.

Kitty Prepares the Records

Faculty

What do you suppose the topic of conversation is when MRS. KILE, MISS SHULTZ, and MISS REED get together—math, English, or Spanish?

MRS. CHOKEY and MR. BRAYTON go over English materials in Mrs. Chokey's room. Note the students eager to get in!

MR. MONTGOMERY shows CONNIE MYERS the results of an experiment in General Science.

Faculty

MR. BARKDULL and MR. JOHNSON discuss the football schedule when they stop between classes.

Typing or shorthand would be the topic of conversation between MISS SERVIS and MISS IDDINGS.

MR. KELLY and MR. HAMMEL, our coaches, may be getting some advice from MRS. HOWELL, the speech and hearing therapist for our school system.

Faculty

MISS HOAK is ready to give GAYLE GREENAMYER and ANDREA MORTORFF an oboe lesson.

MR. BERNHARDT helps SIDNEY REESE with a difficult chemistry problem.

MISS TAPP checks a list of audio-visual equipment.

Faculty

MR. NICHOLS, band director, talks over some music arrangements with our choir director, MISS SIEBOLD.

MRS. VOSTEEN checks some United States history papers.

MR. AVERY shows some interesting mail to MR. MORIN and MR. THOMPSON. Perhaps it concerns the Latin or history departments.

Faculty

MRS. TRENNEPOHL pauses from grading home ec tests for MRS. BUSE to show her a new recipe.

MR. BARKDULL shows a difficult problem in business law to MR. MYERS. Mr. Myers seems interested even though geometry is his field.

MR. DYGERT tells MR. AVERY and MR. BRAYTON, of the English Department, the latest experiments in physics.

Faculty

MR. CABLE is explaining to MAC HOSACK a difficult algebra problem.

MISS SHULTZ and MRS. CLINE chat about English before classes start.

MR. DRUCKAMILLER asks MRS. LONG, the school nurse, about the results of the Tine Tests.

Faculty

MR. ETZLER explains the method of operating one of the machines in shop to BARRY HOLLOPETER and DICK WATERS.

MR. JOHNSON shows the tests given his health class to MRS. ROUSH, who teaches physical education.

MR. MILHOLLIN and MR. SPRUNGER look over the results of the Iowa tests.

BOB REYNOLDS and JEFF ANDREWS drop in after class to have a problem ironed out by MR. WEARLY.

Faculty

MR. HOFFMAN stops to ask MR. NESBITT what is going on in the history classes. It must be interesting!

MR. CONDON of the English department and MR. ETZLER seem to be deep in conversation.

MRS. CLARK explains to KATHY CHENOWETH the importance of guinea pigs in scientific research. This one's a nice pet!

JOHN BALDWIN shows MR. PORTER his latest art project.

Our Custodians

We wish to show our appreciation to the custodians—Tom German, Tom Myers, Carlton Erwin, and Lester Shelton—for the services they have performed at A.H.S.

They have done myriads of things for the students and the school. Custodians in the high school building have repaired desks, cleaned floors and walls, put up stage sets for the plays, moved furniture, driven buses on occasion and gone on errands for the school.

Tom German, in the gym, has swept the senior coat check room, wiped up grease at the junior refreshment stand, mended broken equipment, mopped the entrance way during games, and done a thousand other things.

Custodians, we thank you!

Safety Patrol

The safety of our school population is in the hands of our faithful patrol men at the various street crossings.

Dan Cope is on duty to help children across Williams street in front of Carlin Park School.

Harry Sowle is always in front of the high school building to help people across Highway 27.

William Pendill is on patrol at the North Wayne and Mill street crossing. Lynnford Eff is at the Felicity and South Wayne street crossing.

Bus Drivers

Morning and evening, day in and day out, in all kinds of weather, our reliable bus drivers make their rounds. They greet their passengers with a smile in the morning and they are always lined up in the street ready to go when school is out.

We could not have our fine consolidated school without their services! Bus drivers, hats off to you!

TOP ROW: Clifton Nilson, Kenny German, Carl Waymire, Dale Somerlott, Mrs. Helen Linnemeier, Otto Linnemeier, Hollis Fisher.

OH, TO BE A SENIOR!

Oh, to be a senior —
It's been my life-long dream,
But now that I am a senior,
To me, how does it seem?

Memories of school I will never forget,
But there's a whole wide world to explore.
There's a life of experiences to live, but yet—
I'll prob'ly wish to be a senior once more!

Memories Will Remain

We can't take with us classes, friends, or books;
We can't take the teachers' commanding looks;
We can't take the parties, the dances, or plays;
We'll have to leave a lot from the good ol' days.
But we can take the knowledge that we have,
And we can take the memories dear.
Ah yes, the memories—how distant they seem!
But they'll remain forever in our world of dreams.

HIGH SCHOOL

I think of our past with a mixture of feelings,
Of the things we have done—both bad and appealing.
But the past is the past and will never return,
For our school years are gone;
We must use what we've learned.
So we'll go to the world with its troubles and joys
And act like adults rather than just girls and boys.
As adults we will face life with a confidence true,
For our memories of high school will carry us through.

CHEMISTRY

Tubes are broken; breakers are dropped;
Specimens are caged and bottles are stopped.

Amazing processes that never stop!
We study much and work hard too,
And analyze various tubes of residue.

HIGH SCHOOL

Oh to be a senior, they all say!
To be a senior, carefree and gay!
But, frosh, every year is great;
So take it from a senior,
Don't wish them away!

MY GRADUATION GOWN

Just as my senior gown is something new,
So is my graduation.
But my gown is something special;
Each fold holds a memory.
The first fold reminds me of my freshman year,
Filled with novelties and wonderment.
Folds numbered two and three hold the middle years.
Class breakfasts, the junior and senior stands, and a Sectional Victory
Are crowded into the fourth fold.
The prominent following fold holds memories of teachers, tests, and homework.
The rest of my gown reminds me of the shortest year of all—senior year.
One of these remaining folds holds all the sleep I've lost through the year,
While I finished my term papers!
There is one very large and special fold that is never to be forgotten;
It holds the memories of all the friends I've made.
Graduation day, all the joy and tears combined, fill a happy fold.
The dark fold stands for what is to come tomorrow.
In my hand I hold the key to light my future—
My diploma!

MEMORIES

As I pass through the halls of A.H.S.,
I shall always remember vividly—
Class breakfasts, sectionals, plays,
Government, and, of course, English IV.
Although these wonderful times
Have quickly come to an end,
I shall always have memories
To cherish and hold dear.

—*Toni Roberts*

THANK YOU FOR THE MEMORIES

Thank you for the memories
You have bestowed on me through the years;
Most bring happy sighs with them—
A few bring reminiscent tears.
You are a wonderful old school, A.H.S.,
For you didn't have to be a friend to me;
You could have been cold and aloof,
Leaving nothing in retrospect.
But you have given me courage to go out,
Away from the protection of your walls;
I'll not forget the happiness you brought,
For I have left a part of me within your halls.

—*Dixie Page*

COMMENCEMENT

They call it Commencement,
But it's really the end.
We all know
It's time to go,
To say farewell
Ringing a closing bell.
They call it Commencement,
But the chapter is over.
We close the book,
Take a last look,
Say good-bye to friends;
A phase of life ends.
They call it Commencement,
But the curtains have closed.
It's the end of Act One,
Yet there's more to come.
Act Two will now start;
Let the curtains part.

—*Sally Rathburn*

DAYS GONE BY

Graduation day is coming close;
In fact it's almost here!
And the memories still remain
Of the school I've held so dear.
I remember all the fun I've had,
Through the years that have gone by.
With a tear I wish to turn back time
But must go on with pensive sigh.

Industrial Education Department

Our Industrial Education Department coordinates the power of the brain with the dexterity of the muscle. Three major areas of industry are being taught—Mechanical Drawing, Metal and Wood Shop. Four years of drawing may be taken in one of the finest rooms, with all of the latest equipment. Both hand and machine wood techniques are featured in our dust free up-to-date wood shop. Beautiful furniture, lamps, and plastic projects are turned out at all times. The Metal Shop features work in foundry, welding, sheet metal and machine metal work. All of these class rooms are complete in every detail and the students learn skills they can use throughout their lives. Mr. Wearly heads this department and is assisted by Mr. Etzler and Mr. Johnson.

Driver Education

The summer driver education program of Angola High School has been given a high rating this year, fourteenth of the top 44, in an analysis of 106 schools in the nation, made by the Traffic, Engineering and Safety department of the American Automobile Association.

Angola was the first school in the state to institute a driver education program in 1947. Driver education is now given only in the summer, this plan being started in 1957.

Each driver training student receives thirty-two hours of classroom instruction and twenty-six hours in a car, with six hours or more behind the wheel.

New testing equipment purchased this year included instruments for testing steadiness of nerves, color blindness, reaction time under certain conditions, peripheral vision, depth perception, and resistance to glare. The Snellen Eye Chart is used.

L. G. Maxton Sales, Inc., provided for use in the course two 1962 model Chevrolet cars and Wagner Ford Motor Sales provided two 1962 Fords.

The instructors last summer were Mr. Druckamiller, Mr. Cable, Mr. Sapp, Mr. Kelley, Mr. Ryan and, Mr. Etzler.

Student Assistants

Throughout the school year students assist teachers and gladly help out in the various classes. This enables the students to gain more experience and information in their chosen subjects.

The first group help in the music department, putting away music, hanging up choir robes, and doing many things; the second group work in the girls' physical education department; the third help Mrs. Buse and Mrs. Trennepohl in home economics.

Below we see the film projector operators, with Miss Tapp in charge. No movies or slides would be possible without them.

Sue Maxton is one of the student librarians. Next we see the art assistants grouped around Mr. Porter. They are a great help in the art department.

Lynne Christen straightens the shelves in the home economics department. A group of other student librarians get instructions from Miss Tapp, faculty librarian.

Below is a scene in the science laboratory. Students who aid Mr. Bernhardt, Mr. Dygert and Mr. Montgomery are examining some scientific apparatus.

Science Research Project

The $100 T. A. Kleckner Junior Science Award granted by the Northeast Indiana Heart Association was presented to Angola High School students working on the project, "Cumulative Effects of Insecticides on Warm and Cold Blooded Animals," the work being done in the A.H.S. science department.

The presentation was made by Dr. B. Trent Cooper, president of the Indiana Heart Association, at an assembly program on December 20.

Fifty mice were purchased for the experiment to test the effect of insecticides on warm blooded animals. They were kept in gallon jars fitted with cages and were studied first under normal growing conditions and later after insecticides had been applied.

The large group of students was divided into smaller groups, each specializing in one certain area of the project. A few of the general areas were: general appearance and behavior, physical responses, blood clotting time and blood cell count.

Other students in the science department later joined the original group.

Mr. Bernhardt and Mr. Montgomery are the instructors in charge.

Senior Scholarship Fund

The class of 1963 of Angola High School have organized a Senior Scholarship Fund to be given in the form of a cash grant to an Angola high school senior. This grant will be made to aid him with his college finances.

Members of the Angola faculty and of the student body wrote a charter which stated the exact purpose of the fund and the qualifications necessary for the student to receive this grant. It will be on the basis of need and the abilities of the student.

The class planned various projects to help raise money for the scholarship fund.

The seniors hope that classes in years to come will also follow this program and have a similar fund for the benefit of a deserving senior.

Wally Talks to Hi-Y Cabinet

Hi-Y

The Angola Hi-Y club, organized in 1921, is a member of both state and national organizations.

This year the Hi-Y sponsored the Christmas Prom, "Winter Fantasy," helped plant trees in November at the Fireman's Park, and made picnic tables in the spring for the park. They picked up Christmas trees for the "Burning of the Greens" sponsored by the Lutheran Church. The members sold candy to make money for the World Service Fund and held a volleyball tournament within the club.

All of the officers had summer training at Camp Tecumseh in Delphi, Indiana. Representatives received district leadership training at Camp Eberhart at Corey Lake, Michigan, and attended the state spring conference at Indianapolis.

Dave Hanselman was elected state vice-president of Hi-Y at summer camp and he will become the state president next year.

The club, which had approximately one hundred members after initiation in November, met on the odd Wednesdays of each month during the activity period. The programs included panel discussions, talks by Mr. Nesbitt, Mr. Johnson, Mr. Huq, and others, and a film on YMCA work in foreign lands.

Officers this year were: Wally Liechty, president; Mike Sapp, vice-president; Chuck Nedele, secretary; George Shoup, treasurer; Dave Yarian, chaplain; and Dave Hanselman, sergeant-at-arms.

Mr. Wearly was the faculty sponsor.

Future Teachers of America

Members of the local chapter of F.T.A. are given the opportunity to explore their own abilities and interests related to the teaching profession, to learn of its important roll in our democracy, and to cultivate the qualities of personality, character, and leadership, which are essential in good teachers.

This year the club had seventy-three members, who met on alternate Thursdays during the activity period.

During the year members attended state and area conferences, served as guides at school open house, honored the retired teachers, took charge of elementary grade classes for teachers so they might attend conferences, and taught special subjects to grade school students.

The officers for the year were: Lana Hale, president; Mary Alice Cole, vice-president; Michelle Hall, secretary; Susan Florentine, treasurer; and Judy Horman, parliamentarian.

Mrs. Gladys Kile was the faculty adviser.

Junior Classical League

To encourage an interest in and an appreciation of the civilization, language, literature and arts of Greece and Rome among young people and to give them some understanding of the debt of our own culture to that of classical antiquity is the purpose of the Junior Classical League.

The Angola chapter of Junior Classical League was founded ten years ago in 1953.

Each year representatives attend the state and national conventions. Last year Mary Alice Cole was chosen to attend a conference at Indiana University. Linda Poole attended a conference at Purdue University before the end of school last year.

Our local chapter, with seventy members, met on one of the even numbered Tuesdays of each month. Through the past year numerous Latin skits were presented by the club members.

Officers for this year were: Cindy Cook and Steve Terry, consuls; Pat Kaufman, scriba (secretary); Kathy Clancy, quaestor (treasurer); and Vivian Mitzman, Judy Horman, and Andrea Mortorff, nuntiae (reporters).

Thespian Officers

National Thespian Society

The Angola Chapter of the National Thespian Society was organized in 1952. It replaced the former dramatics society known as the Alpha Delta Chi.

This honorary organization is composed of students who have earned the required number of points by participating in various dramatic activities.

This year the Thespian Society produced two three-act plays entitled "Girl from Outer Space" and "Inside Lester." The Thespians also presented three one-act plays, "Hold on to your Hat," "Beyond the Door," and "Give and Take." The faculty directors for all the productions were Mr. Condon and Mr. Hoffman with Mr. Porter in charge of the stage sets.

The officers this year were: President, Dane Tubergen; vice-president, Dave Hanselman; secretary-treasurer, Jan Stevens; sergeant-at-arms, Marshall Mitzman; council members, Shirley Crone and Cynthia Cook.

The members of the Thespian Society would like to thank the advisers, Mr. Condon, Mr. Hoffman, and Mr. Porter for their encouragement and assistance in making the 1962-63 Thespian productions a success.

Three One-Act Plays

"Hold Onto Your Hat," a comedy-drama with an all girl cast, was one of the one-act plays presented January 18. The plot involved Hattie, Barbara Hanselman, who makes women's hats but can't sell them, and Anna, Louise Patenge, an 18 year old orphan, who is fascinated by Hattie's hats and helps to sell them. Anna demonstrated her sales ability on Janet McCutchan, Miss Hope; Vikke Reamer, Mrs. Brice; Lindy Mick, Flora; Penny Mick, her twin sister Dora; Anne Hartman, Susie Brice; and Mary Beth Zuber, Mrs. Von Flont, customers in the hat shop.

Jean Penix was the student director and Mr. Condon, the faculty director.

"Beyond the Door," a mystery, was presented by Emily Preston as Ruth Dodge; Michelle Hall, Alice Dodge; Glenn Barlett, Officer Morgan, Dave Hanselman, Paul Vanneck; Craig Benson, Doctor Fry; and Sally Hoffman, Lucy. Sally Hoffman was also the student director and Mr. Porter was the faculty director.

During the course of this play a fleeing murderer takes refuge in a house inhabited by two elderly ladies, who offer to shelter him if he will marry their sister, Lucy, who seems to reside just off stage in a little room beyond a locked door.

"Give and Take" concerned two families, the Mortons and the Bradleys, who are having a backyard picnic to celebrate fifteen years of friendship. A chance remark about a rosebush turns the picnic into a riot that only the touch of fate can stop. The touch comes and a barbershop quartet results.

The cast included Charles Honess as Sam; Vicki Willis, Louise; Dian Campbell, Sally; Elten Powers, Dick; Kathy Chadwick, Ada; Bob Baldwin, Phil; Mark Crain, Temple; and John Wilder, Appleby. Dane Tubergen was the student director and Mr. Hoffman, the faculty director.

"The Girl From

Many stories have been written about invasions from other planets, but this one concerned a girl!

This three-act comedy was produced by the Angola Thespian Society on Friday and Saturday evenings, November 2 and 3.

"The Girl from Outer Space" takes place in our modern age. Zelda is a beautiful space traveler sent to gather scientific information about Earth women. But as she happens into the Cormer household and sees the boy friends of the Cormer daughters, she decides that Earth men are much more interesting. She has a ray gun that freezes people, so who can stop her from kidnapping all four boys and taking them away on her space ship?

Mother Cormer has an idea. Poor father takes the punishment, but the day is saved. In fact when Zelda finds out what they really did to her, she wishes she'd never been to Earth.

Two casts were chosen, one for Friday night and another for Saturday night, so more students would have a chance to participate.

A Tense Moment

"Inside

A three-act comedy, "Inside Lester," was presented by the Angola Thespian Society on March 29 and 30, under the direction of Mr. Condon, Mr. Hoffman, and Mr. Porter.

The story involves Lester Pelham, a mild mannered writer and creator of the world's leading, two-fisted private eye, Tough Molloy.

One day a package is delivered which contains a stolen diamond. Lester inadvertently swallows the stone, and when the thieves show up to recapture it, they take Maggie, Toni, and "the world's most valuable stomach" along with them. Beck and Louie, amateur gunmen, deliver the three captors to their boss, George Fleming, and his girl friend Casa. Lester's attempts to escape from the island and his try at playing the part of "Tough Molloy" are long to be remembered.

ODE TO THESPIANS

The Thespians highly entertained
A great audience attentive.
Much pleasure and knowledge they gained
Through hard work and incentive.
The first production went well.
Zelda, the "Girl from Outer Space,"
Thought males were quite swell;
She was enhanced with the entire male race.
The three one-acts came to stage.
"Give and Take" was quite a hit.
Two families flew into a rage;
But it was over in a bit.
The thing "Beyond the Door"
Which gave the audience chills,
Soon filled the convict with horror,
And provided many thrills.
"Hold Onto Your Hat" found Hattie
With hats all fancy and frilled.
But she went almost batty
Until her shop was with customers filled.
The last big play of the year
Took place near the end of the semester.
A diamond was swallowed, I fear!
That's why it was "Inside Lester."
So the year draws near to a close.
Thespians have made great gain;
And with each play their skill grows.
This high standard, they hope to maintain.

Production Staff for the One-Acts

Behind The Scenes

Many of the unsung heroes of play production are the students who work behind the scenes. They do the many tasks that make the play successful.

They round up the properties and costumes from everywhere possible. Scenery must be painted. Stage hands place the furniture on stage before the play and then help move it around between acts. Properties must be removed or added also. The actors must be made up before the play and their make-up retouched between acts.

Sound effects committee members are responsible for producing the proper noises at the right times. Someone must operate the lights and curtains.

Such is the life backstage!

The spring concert was enjoyed by the many people who attended.

The choir won first place in the state Band, Orchestra and Vocal contest at Lowell, Indiana, on April 20.

Miss Joan Liehe, a student teacher from Butler University, came to Angola to work with the high school music department and she directed the choir in several numbers.

The band members are from the top four grades in high school.

Overall the band had an outstanding school year.

TOM HARMAN WINS HONORS

Tom Harman has won many music honors during his school career. He played with the Fort Wayne Philharmonic Orchestra when he was in grade school. He was a student for six summers at the National Music Camp at Interlochen, Michigan, winning a scholarship given by the Indiana Federated Music Clubs in 1960 and the concerto auditions at Interlochen in 1961. He is the recipient of the David Cohen Memorial Scholarship in clarinet to Interlochen for next summer.

Tom has been in the all-state band for three years, earning first chair position. This last December he appeared as soloist with the Indianapolis symphony. He was guest soloist at the annual Youth Concert of the North Manchester Civic Symphony in February.

Tom has been accepted by the Eastman School of Music, affiliated with Rochester University, for his college work next year.

Orchestra

The high school orchestra has been very active throughout this school year. This group provided music before the first curtain and between acts for the Thespian plays. Its members also played for Tri-State College commencement.

Nadina Rensch, representing the orchestra, played a violin solo at the Tri-State College baccalaureate program. The string members of the orchestra furnished music for the style show presented by the home economics department on April 9.

The orchestra gave a very enjoyable spring concert. This year special emphasis was placed on playing music from recent and current Broadway musicals.

On April 20 the organization entered the State Band and Orchestra Contest at Lowell, Indiana, and won first place.

Elwood Nichols is the director.

CORNET TRIO

Bill Lipman, sophomore, and Randy Beechy and Barry Frisinger, juniors, have been playing together, except for one replacement, for five years. The trio has gone to district contest each of three years, on two of them going on to the state. This year they played a very modern piece and received a first at district contest and missed a first at State by one point.

The trio has played at band concerts, and for the Lions Club and the Order of the Eastern Star; they also played for the homecoming of General Hershey and on other occasions. The trio once played over the Coldwater Radio Station advertising a coming concert.

Excellent Music Facilities

The students and the teachers have found it much easier and more enjoyable working together in our new music department.

The two large group rooms, three offices, six practice rooms, and the much needed cabinet space have proved to be the acme of efficiency.

The student assistants this year were Jim DeLong, Eric Hall, Andrea Mortorff, Marshall Mitzman, Pat Kaufman, and Jan Stevens. They put way music, hung up choir robes, helped store other supplies and aided in every way possible to keep the music rooms looking neat during almost constant use and to make sure the supplies were readily available.

Long will the music students remember the hours of practice, the pleasant associations, and the valuable training gained in this department.

SPORTS

Varsity Football

This year Angola finished the season with 3 wins and 5 losses. This record, however, is not bad if we look at the statistics. No opponent ever scored more than 14 points against a fine Hornet defensive team. At the same time Angola was never shut out and the Hornets failed to get into double figures only twice. Angola out scored all opponents 140 to 67.

The Hornets journeyed to Garrett on September 1 to participate in the football Jamboree. Angola beat Garrett in the second quarter of play 6-0 and played Auburn to a 0-0 tie in the third quarter. Three days later Angola traveled to Decatur, where they beat the Yellow Jackets 14-6 in a muddy contest.* On September 14, the Hornets played Elmhurst at the South Side stadium and came home with a 34-7 victory.* Angola's next foe was Auburn. Auburn defeated the Hornets 14-3 in a hard fought game. The very next week Angola was caught napping by New Haven and lost their record game of the season 14-6.

The Hornets started out the month of October with a bang by defeating Howe 25-7*. Next Bluffton felt the Hornets' sting as they went down 34-6. Garrett fell next 6-0 in a hard fought defensive game. Angola finished the season at home with an 18-13 victory against the Kendallville Comets.

Coaches

Angola High School has on its faculty some of the finest coaches in Indiana; all of them are specialists and all of them dedicated. When the Angola Hornets win a contest in which they are competing, no matter what sport, we should remember that it is a combination of the team's desire, the team's ability, and the coaches' ingenuity. No one coach wins a game; the games are won through the combination of the minds and efforts of all the coaches and the team.

To these coaches the players owe many thanks.

Cheerleaders

Our Varsity cheerleaders, Janice Stock, Tuiren Butler, and Dixie Page, have done a wonderful job keeping up school spirit throughout the year. Their snappy yells encouraged the Hornets to many victories. Congratulations to them for a job well done!

Mrs. Roush was their faculty adviser.

ANGO

1963 Sectional and Regional

The Angola Hornets started their 1963 Sectional conquest by defeating the Riverdale Comets 62-26, at Churubusco, on February 27. The following night, at Churubusco, the Hornets were almost up-ended by the Ashley Aces. In a game that no Angola fan will soon forget, the Hornets came out the victors by a narrow score of 51-50. The team easily defeated the Orland Tigers 86-70 in their afternoon game at Angola. Being the defending Sectional champs and knowing the sweet taste of victory, the Angola squad fought extra hard in the final game Saturday night. This effort paid off in full, as the Hornets defeated their long time rivals, the Garrett Railroaders, 62-47.

Without a day to spare, the team worked hard for their contests at the Fort Wayne Regional. On Saturday, March 9, the Hornets played their first game in the Regional against Albion. The team's week of practice proved valuable as they defeated Albion 62-49. In the night session Angola faced the tall Berne Bears. The Hornets fought with all they had, but the Bears' height and dead-eye shooting were a little too much as the Hornets lost in an overtime 54-52.

FRESHMAN CHEERLEADERS

Hats off to the freshman cheerleaders, Diann Campbell, Marilyn McBride, and Anne Hartman, who cheered their team on to many victories! They were always enthusiastic and we can expect big things of them in the coming basketball seasons.

The Boys Talk It Over

In the Dressing Room

In the dressing room many of the ideas which have proved invaluable through the years for our Hornets have originated.

Here the team and Mr. Hammel discuss strategy which they hope will prove beneficial for the next game. They also talk over things that will guide the boys later in life.

ALL CONFERENCE HONORS

At the end of the season Mike Sapp was named on the all conference first team and George Shoup, on the all conference second team.

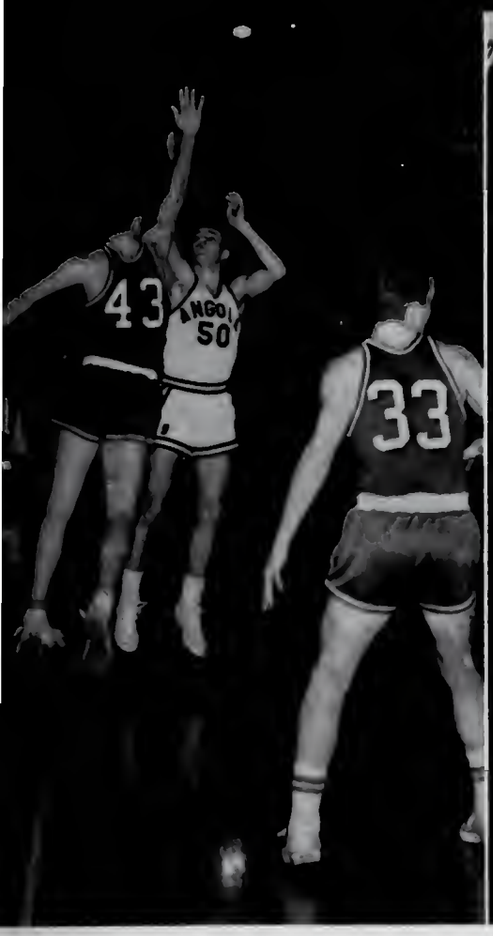

Managers

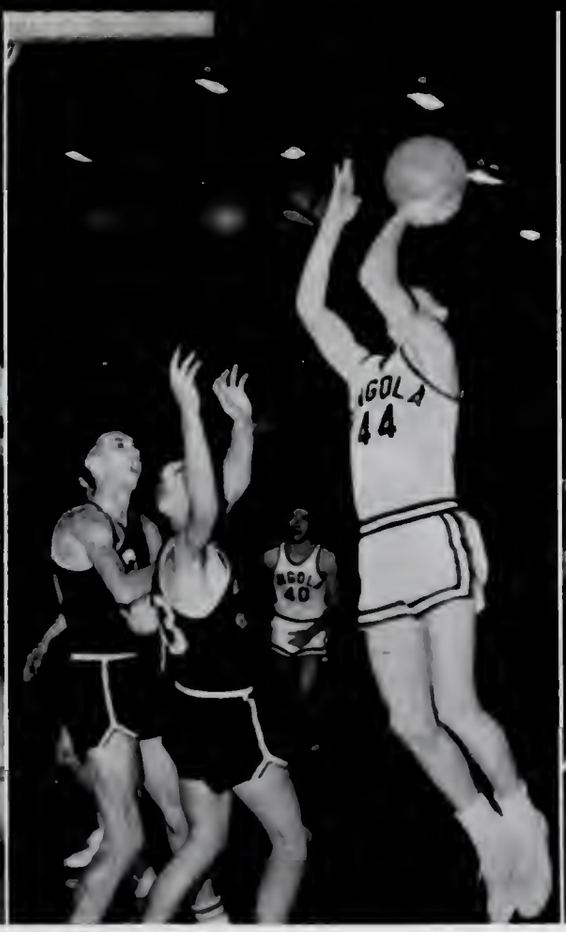

The managers of our athletic teams do more work than meets the spectator's eye. They are always in demand for carrying out the supplementary duties before, during, and after the contests. When the teams play an out-of-town game, the managers' duties are increased.

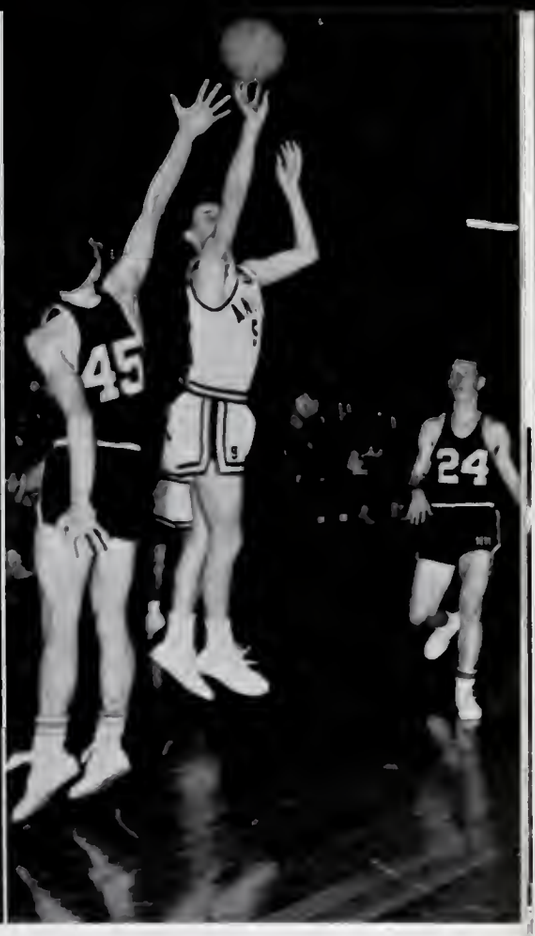

The managers play a vital role in the maintenance and well-being of our teams.

Scenes at the Games

The Micas

A demonstration on the trampoline was presented by the "Micas," Mike Myers and Carroll Nesbitt, between the halves of the varsity Angola-Concordia basketball game, February 22.

The various acts included front rolls, back rolls, hand springs, front and back flips, head spring, balance stunt, and ground gainer. Mr. Nesbitt first appeared in a clown's costume to add to the fun.

Podunk Cheering Block

The Podunk Cheering Block was made up of boys wishing to belong to a group to yell and encourage the team to victory. They occupied a section of the gym next to the Pep Club and worked hard to urge the team on.

Their officers were: Chuck Moore, president; Barry Hollopeter, vice-president; Mac Morley, secretary-treasurer; Don Wyatt, sergeant-at-arms; Chuck Tiffany, John Potts, and Doug Musser—cheerleaders.

Track

The Angola track team had a great year in 1962, winning 8 and losing only 2. This record was the result of a lot of boys' going out for track and creating inner squad competition.

The Hornets started out on the wrong foot by losing to Columbia City 8-41. They quickly came back though and beat Albion 73-36. Next in a 3-way meet Angola came out on top 76½ to Avilla's 44 and Butler's 16½. Angola next traveled to Waterloo and came home with a 70-38 victory. Concordia fell to the Hornet thinlies 63-36. Next Angola lost to Garrett, in the snow, 58-51. The Hornets resumed their winning ways against Howe 88 2/3-20 1/3. Then Angola hosted Auburn and won 63-46.

The New Haven Relays proved to be the highlight of the '62 track season. Angola took first place over the 9 teams entering. The Hornets received a hearty welcome home with fire trucks and fanfare.

Next the Hornets journeyed to Columbia City for the N.E.I.A. Conference meet. They did not do quite so well as at New Haven but finished a respectable third of the 10 teams entered.

They finished the regular season against Kendallville on a winning note, 65-44.

The Reserves had a 2-2 season, beating Auburn 68½ to 40½ and Kendallville 56 2/3 to 48 1/3. They lost to Concordia 37½ to 67½ and to Garrett 43½ to 46½.

Baseball

The Angola baseball squad, coached by Mr. Dygert, ended the 1962 spring season with a 4-3 conference record.

They tasted defeat on their very first outing when they were overcome by a strong Decatur team by a margin of 4-3. The team then traveled to Columbia City, where they were defeated once again by a score of 8-4. The following week the team played host to New Haven only to be defeated once more by a 5-2 verdict. However, this proved to be the last defeat for the team.

They traveled to Bluffton and swamped them by a score of 19-2. The following week the team hosted Auburn and squeezed out a 4-3 victory. Two days later Angola pinned an overwhelming victory on Concordia, the final score being 13-3. The last game of the season Angola visited Kendallville and came home with the final victory by a margin of 3-2.

NEW TRACK RECORDS SET

The 1962 season saw three old school records fall. Dave Tyler scampered to a 50.0 seconds in the 440 mark, beating his own old mark of 52.3 seconds. Gary Page chopped 4 tenths of a second off Chuck Southern's and Bud Crum's old high hurdle mark. Gary did it in 15.2. Dave Tyler, Kenny Robinson, Jerry Boyer, and Gary Page set a new record of 3:32.7 in the Mile Relay. This beat the record of 3:37.2 set last year by Dave Tyler, Larry Sunday, Gary Page and Jerry Boyer.

In the 1963 season the Half Mile Relay team—Jerry Boyer, Ross Butler, Larry Waite, and Lynn Maugherman—set a new school record of 1:36.4 bettering the old record of 1:36.5, which has stood since 1955.

Dan Bakstad, Curt Rausch, Mr. Brayton, coach; Doug Smith, Barry Frisinger.

1962 Golf Season

The A.H.S. golf season started in April, 1962. Three games were won, six lost, and one tied.

The games played and the results were:

Angola	2½	Garrett	5½
Angola	1	Auburn	9
Angola	3	Kendallville	7
Angola	8	Butler	2
Angola	7	Kendallville	3
Angola	2½	Howe	7½
Angola	0	Auburn	10
Angola	8	Butler	2
Angola	3	Garrett	3
Angola	1	Howe	7

The Angola team traveled to the Auburn Country Club for the N.E.I.A. Conference Golf meet on May 12. Because of rain the meet was called by general consent of the coaches after 9 holes.

Of the nine teams entered, Angola finished sixth, being downed by Auburn, Concordia, Elmhurst, Decatur and Garrett in that order. Then came Kendallville, Columbia City and Bluffton. New Haven did not participate.

Barry Frisinger was low for Angola with a 9 hole total of 42, followed by Ken Harris with a 48; Glenn Jacob, 49; and Curt Rausch, 52.

Mr. Brayton is the golf coach.

AT THE GYM

Great has been the activity inside the gym doors this year.

The juniors worked hard at four different refreshment stands to supply the basketball fans with popcorn, candy, cokes, hot dogs and other refreshments.

The seniors operated the coat check as a service to the fans and as a financial aid to the class.

Many are the gleaming trophies to be seen in the case as one enters the front doors of the gym. There are trophies won in every sport. The case is flanked on either side by the Greek figures symbolizing dramatics and music.
